

Can you imagine having kids and not having a car?

Unfortunately, this is a painful reality for many single parents.

Support Project Self-Sufficiency's

Cars for Families Program

Help a family move along the road to success.

Your donation creates opportunity for single parent families.

Maximize your tax deductions! All donated cars are given directly to single parent families in need - never sold at an auction. Receipts for fair market value are provided.

Visit our website to donate your unneeded, yet reliable car today:
